Finance your Solar Water Heating System with Community First

When it comes to **GREEN** homes, Community First is committed to helping our members and the environment. That's why when you use us to finance your **GREEN** Solar Water Heating System for your home, we will reward you with a reduced interest rate!

Why buy a **GREEN** water heating system?

If you purchase and install a solar water heating system in your home you may be eligible for rebates and tax credits. For example:

- **JEA offers \$800 per installation to their qualified residential customers**
- **Federal and state tax credits may be available**

Come see us today!

This Credit Union is federally insured by
the National Credit Union Administration.

Note: Rebates and tax credit programs are given on an informational basis only and are not guaranteed. Specific guidelines and time limits may apply for each program. To learn more go to JEA.com and click on the Conservation Center arrow. Other rebates or incentives may be available.
